Bachelor’s degree in public health, nutrition, kinesiology, social work, active communities, evaluation, communication, or related field of study. Advanced degree preferred.

**DESCRIPTION**  
The Program Manager, Grants plans and manages health initiatives for community-based programming and state-wide support projects. This role effectively coordinates project plans and resources to deliver a portfolio of projects that advance food systems, nutrition, physical activity, and community engagement.

**LOCATION**  
Lansing, MI

**ESSENTIAL FUNCTIONS**

- Establishes project scope, objectives, timeline, resources, and assignments along with deliverables based on the project portfolio.
- Executes project plans and requirements to meet established deadlines.
- Collaborates with internal teams and external contractors for analytical assessments, project development and implementation, and reporting outcomes.
- Contributes to developing technical assistance paradigms for assigned programs and projects within field of content expertise.
- Builds and maintains relationships with partner organizations to support local project goals.
- Documents the full life cycle of projects, including updates and lessons learned, and ensures final deliverables.
- Addresses questions and anticipates, identifies, and removes roadblocks throughout the project.
- Collaborates with partners to enhance and identify successful program engagement outcomes.
- Ensures program compliance aligned with grant program and funding requirements.
- Supports and delivers training to customers and subcontractors on questions regarding the program's deliverables for quality, maintenance, and distribution purposes.
- Participates in evaluation, assessment, and communication activities for grant programs and projects.
- Refines processes, procedures, and resources for future projects.
- Participates in publication development, grant proposal writing, and other projects.
- Participates in training opportunities to build knowledge and skills to advance community-based programming and state-wide support projects.
- Conducts site visits, in-person or virtual, as part of grant program compliance.
- Performs other duties and responsibilities as required or assigned.
EDUCATION/EXPERIENCE

- Bachelor’s degree in public health, nutrition, kinesiology, social work, active communities, evaluation, communication, or related field of study.
- Advanced degree preferred.
- Content expertise in nutrition, food systems, physical activity, and/or active communities preferred.
- Registered Dietitian (RD or RDN) strongly preferred.
- Three or more years of experience in managing portfolio of projects with increased responsibility and complexity.
- Public health-related experience preferred.

KNOWLEDGE/SKILLS/ABILITIES

- Ability to apply knowledge of the factors that impact health outcomes focused on nutrition, food systems, physical activity, and/or active living.
- Ability to apply principles of equity and community engagement to community-based initiatives.
- Demonstrated understanding of how to apply policy, systems, and environmental change strategies at local and regional levels.
- Demonstrated effective facilitation skills and ability to navigate conflicting agendas.
- Demonstrated initiative to assess requirements, identify plans, lead project implementation from start to finish with target deadlines.
- Ability to implement community-based initiatives in the public health realm.
- Ability to understand program and grant guidelines to administer programs.
- Ability to collaborate with internal customers, external customers, and vendors.
- Knowledge of evaluation processes, data analysis, and reporting.
- Demonstrated analytical thinking with attention to detail.
- Strong written and verbal communication skills.
- Strong skills in Microsoft Office: Word, Excel, PowerPoint, and Outlook.
- Ability to use and set-up virtual meeting systems.
- Ability to exercise a high degree of confidentiality and independent judgment.
- Demonstrated integrity and professionalism.

PHYSICAL REQUIREMENTS

Talking – expressing or exchanging ideas by means of the spoken word to impart oral information to others accurately (1-2 hours daily).
Hearing – perceiving the nature of sound by the ear (1-2 hours daily).
Sitting – remain in a seated position (6-8 hours daily).
Standing – remaining on one's feet in an upright position at a workstation without moving about (1-2 hours daily).
Lifting – raising or lowering an object under 50 lbs. from one position to another (infrequently).
Office Environment – general office work environment (6-8 hours daily).
Travel – driving throughout Michigan with a valid driver's license with potential weekend and overnight stays (up to 50% annually).
Walking – moving on one’s feet for up to 2 miles (up to 5% annually).
Riding a bike – remaining seated on a bike and pedaling for up to two miles (up to 5% annually).
Outside Environment – ability to be outside in heat/cold, wet/humid, and dry/arid conditions (up to 5% annually).

**BENEFITS AND WORKLIFE BALANCE**

- Paid time off starting at four weeks for a calendar year, pro-rated based on start date.
- Fourteen paid holidays and a paid winter break office closure in late December.
- Flexible hybrid work schedule.
- Provision of up-to-date technology and support.
- Parental leave policy and infant-at-work program in addition to bereavement, military, and jury/witness duty leaves.
- Group health plan, including medical, dental and vision, as well as options for flexible spending accounts or health savings accounts.
- Annual wellness benefit reimbursement to support staff in engaging in a physically active, healthy lifestyle inside and outside of work.
- 401k plan with 5% employer contribution and additional match up to 3%.
- Employee assistance program with free professional support for a variety of life’s challenges.

**OTHER INFORMATION**

- Must be able to attend periodic in-state and out of state, multi-day trainings and conferences with reasonable accommodation.
- Must be able to constantly operate standard office machines, and constantly communicate with internal staff as well as external partners remotely.
- Must be able to frequently remain in a stationary position as well as move about in the course of general duties.
- Must be authorized to work in the U.S.
- Will work in usual office working conditions where noise level in the work area is typical of most office environments with telephones, personal interruptions, and background noises.
- Have a valid driver’s license and be able to provide proof of current, valid auto insurance (preferred but not required).
- All staff will be expected to follow mandated safety protocols to protect against COVID-19 transmission.

**HOW TO APPLY**

Email your cover letter, resume, and writing sample to Kendra Keyes at kkeyes@michiganfitness.org by November 30, 2023, or until a suitable candidate is identified. Include Program Manager, Grants in the subject line.
